

INTRODUCING THE

Strawberry Growers Information Portal

Join us for a “virtual tour” of the new Web site designed specifically for N.C. strawberry growers. Contributing faculty members will lead the virtual tour via a webinar.

Online resources include:

- business management tools,
- production guidelines and
- links to weather and climate data.

MARK YOUR CALENDAR!

Meeting Name: Strawberry Growers Web Tour

Who: Extension agents & strawberry growers

When: Wednesday, August 26, 2009, 10 to 11 a.m.

Where: Find a link to the webinar at
www.ncvalueadded.org

Meeting Password: This is an open meeting. Attendees don't require a password to join. When you link to the presentation you will be asked for a “Login Name” and “Password.” For the Login Name, simply type in your first and last name (Unity ID is not required), this is how you will be identified in the participant list. For the Password, simply leave it blank and click the “Log In” button.

The Strawberry Growers Information Portal was developed by the N.C. State University Program for Value-Added & Alternative Agriculture, located at the N.C. Research Campus in Kannapolis, with financial support from the N.C. Tobacco Trust Fund Commission.

What's a webinar? A webinar is a live presentation conducted via the Internet. Each participant sits at his or her own computer and is connected to other participants via the Internet. In order to participate in the webinar, simply follow the link provided and log in to the session at the designated time. Participants can simply watch and listen, or join in interactively by asking questions via the chat box.
